

Still waiting for your integration to begin? Want to start learning Dutch intensively?

Work on your Dutch language with Taalversnellers from the UAF Academy

Taalversnellers is for you if you:

- Have completed at least 10 years of education
- Speak English or some Dutch
- Have a residence permit based on asylum
- Are still waiting for your municipality to start your integration

What is Taalversnellers?

- Online self-study Dutch from A0 up to level B1
- Online group support:
 - Weekly two evening conversation sessions to practise speaking
 - Weekly grammar question hour
- Flexible online learning that fits your schedule
